

Associate Director of Development

Bishop McNamara High School
Forestville, Maryland

School Overview:

Bishop McNamara High School today promotes a co-educational Catholic liberal arts curriculum rooted in the Holy Cross tradition that seeks the “harmonious development of the whole person,” which was the challenge given at the School’s founding in 1964 by Brother Ephraim O’Dwyer, C.S.C., then Provincial of the Brothers of Holy Cross, Eastern Province. This challenge echoes the educational philosophy established more than 180 years ago by Blessed Basile Moreau who stated in his defining work Christian Education, *“We shall always place education side by side with instruction, the mind will not be cultivated at the expense of the heart.”*

Bishop McNamara High School educates the “hearts and minds” of close to 900 students from nine different counties in the Washington Metropolitan region in a dynamic, inclusive Catholic school community rooted in the Holy Cross tradition. The School remains devoted to its four pillars - Being Family, Building Respect, Educating Hearts and Minds, and Bringing Hope - as we prepare students “to think with Christ,” which was Bishop John M. McNamara’s ecclesiastical motto. Through the shared conviction among all members of our community that “the cross is our only hope,” we strive to be men and women with hope to bring preparing the world for better times than these.
