

Leadership Giving Officer
The Thacher School
Ojai, California

Founded in 1889 by Sherman Day Thacher, The Thacher School serves academically talented students from 24 states and nine countries in a rigorous college preparatory experience. Fifty-five percent of students identify as people of color. The faculty and students live and work closely together on a 427-acre campus nestled in the foothills of the Los Padres National Forest in Ojai, California (85-miles north of Los Angeles). Honor, fairness, kindness, and truth are the cornerstones of school life. Together, the school community commits to the belief that

demands in the academic classroom, when combined with those of mountains and horses, of sports and the arts, produce independent minds, strong bodies, and powerful character. The School enrolls 260 students, has an operating budget of \$29 million, and an endowment of \$180 million.

Thacher's track record of fundraising is exceedingly impressive. In June 2021, Thacher finished the \$190 million "Next Peak" Capital Campaign to enhance the endowment, create a new Dining Hall, and the new GATES Center. The annual giving and events programs are very strong—49% percent of alumni and 90% of parents supported the school last year. Thacher is among the most supported schools in the nation, raising \$5.5 million for the Annual Fund and \$15 million in major gifts this school year.
