### **Principal Responsibilities:**

- Provide visionary leadership, strategic planning, and policy development for the athletics program.
- Maintain an athletics program that is committed to the School's mission and strategic priorities.
- Maintain responsibility for all aspects of the Athletic Department's success, including outcomes for Bullis students and teams, hiring and evaluation of our coaches and the Athletic Department staff, scheduling, supervision of the athletic facilities, the athletics program budget, and transportation.
- Represent Bullis in the IAC and ISL and ensure compliance with all conference policies, rules, and regulations.
- Achieve balance by positioning the program for continued competitive success, while ensuring that all Bullis students' athletic and physical education needs are met.
- Ensure K-12 alignment while developing competitive teams through student engagement and internal growth.
- Promote and advance gender equity in the School's athletics program.
- Systematize the athletics program to encourage participation, establish a match between the number of student participants and amount of offerings, and provide a consistently positive and equitable experience across all sports, levels, and divisions.
- Track and report on team progress through analyzing past performances, recent successes, and areas for improvement.
- Promote athletic events within the School and to the greater community.
- Work closely with the Lower, Middle, and Upper School Division Heads, Admission Office, and College Counseling Office.

### **Qualities of the Director of Athletics:**

- Proven ability to lead and provide vision for all athletic programs at the School.
- Outstanding communication and interpersonal skills—verbal and written—with a professional and empathetic approach.
- Ability to work independently as well as collaboratively.
