Overview

Holy Trinity High School in Chicago seeks a dynamic and visionary Principal for July 1, 2026. Founded by the Brothers of Holy Cross in 1910, Holy Trinity is the second oldest high school ministry of the Congregation of Holy Cross in the United States. With the guidance of the Brothers, Holy Trinity High School is committed to educating the whole person, fostering a love of learning, and providing a rigorous learning experience. Holy Trinity High School is a highly supportive and distinguished Catholic, coed, grades 9-12, preparatory institution serving a diverse and inclusive community.

The school, considered a “hidden gem” among Chicago Catholic schools, is known for its unique focus on students, family, and community. With an active and caring Board of Trustees and strong leadership from its new President Elizabeth Torres, Holy Trinity has been able to attract impactful philanthropic support which has helped the school recently complete an \$8.1 million capital campaign. Additionally, the School raises well over \$1 million from The Guardians of Hope Gala, an annual community event of remarkable success. Known for having a devoted and dedicated faculty and staff, Holy Trinity has a rich tradition of academic excellence and a mission deeply rooted in helping students achieve an education that is not simply measured by the grade they earn, but by the quality of their character and their commitment to social justice.

Holy Trinity High School seeks to foster a love of learning among its students and has consistently evolved to meet the challenges of the 21st century. The School’s commitment to a holistic approach to education is reflected in its Belief Message stemming from a thorough marketing and branding study: “At Holy Trinity, we know great education starts with what you learn --- and becomes more powerful when it shapes who you are. Every day, we support and inspire one another to pursue new challenges, growth, and deeper meaning. When students focus on their purpose, they develop the determination to change their world.”
