

Heaven in the Catskills

Catskill Montessori School is located on a beautiful campus and farm a couple of hours north of New York City. With about 120 students from ages 18 months through 6th grade, the school offers a Montessori curriculum in an environmentally sensitive and socially inclusive community of learners and adults. Founded in 2020, the school seeks a new Head of School to start in July of 2027, or sooner if available, to shepherd the transition from startup to sustainable organization and partner with the community to provide vision for an exciting future. Montessori certification is not required, but leadership experience in a well run school is necessary. A full Position Description is in development and will be available by the end of September.
